## Senior Technical Product Manager

cmiguelcorada@gmail.com

+34 660926268

Valencia (Spain)

### PROFILE

Senior Technical Product Manager with 5+ years of experience building and scaling B2B and B2C SaaS products in complex, integration-heavy environments. Strong background in defining product strategy, owning mid-term roadmaps, and leading cross-functional teams across engineering, data, operations and external partners.

Experienced in API-based integrations, partner management, and platform products, translating business needs into technical solutions. Data-driven, comfortable working with KPIs related to conversion, operational efficiency and scalability.

### PROFESSIONAL EXPERIENCE

02/2024 – Present  
Valencia

#### Senior Product manager

Fourvenues

- Owned the end-to-end product strategy and roadmap for a SaaS platform connecting multiple stakeholders (venues, partners, internal tools).
- Led complex integrations between internal systems and third-party partners through APIs and data flows.
- Worked closely with engineering teams to translate business and operational requirements into technical specifications.
- Managed cross-functional alignment across product, engineering, operations and commercial teams.
- Defined KPIs related to conversion, operational efficiency and platform reliability.

05/2023 – 02/2024  
Madrid

#### Product Manager

Nailted

- Drove product discovery and delivery for an employee-facing SaaS product.
- Improved onboarding and activation flows using data insights and user research.
- Worked closely with analytics tools to monitor engagement and retention metrics.

10/2020 – 05/2023  
Castellón (Spain)

#### Product Development Manager

Soluciones Cuatroochenta

- Led B2B product initiatives involving integrations with third-party systems and custom platforms.
- Coordinated multiple technical streams to ensure end-to-end solution consistency.
- Worked with clients and partners to define requirements, priorities and delivery plans.

- Supported platform scalability and reliability across different implementations.

05/2019 – 09/2020  
Valencia

### Product Manager

Kokoro Kids 

- Led the evolution of the product roadmap and user experience in an early-stage edtech startup.
- Managed day-to-day delivery with a lean development team.
- Conducted user interviews, prototyped solutions, validated assumptions, and optimized user flows.

04/2019 – 10/2020  
Valencia

### Product Manager

PlayJoy 

- Developed a multi-platform application that allowed users to play traditional games (Parcheesi, Uno, Chinchon, etc.) while creating their community.
